**Sermon Title:** Why do you not believe me?

Scripture: John 8: 42-47

Jesus said to them, "If God were your Father, you would love me, for I have come here from God. I have not come on my own; God sent me. Why is my language not clear to you? Because you are unable to hear what I say. You belong to your father, the devil, and you want to carry out your father's desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies. Yet because I tell the truth, you do not believe me! Can any of you prove me guilty of sin? If I am telling the truth, why don't you believe me? Whoever belongs to God hears what God says. The reason you do not hear is that you do not belong to God."

#### A Good Question — by Brady Horner

The summer adult class just finished our study of Galatians. Sometimes Galatians seems like an angry letter that Paul wrote and should not have sent...but he did anyway! It's a great letter that shows us we are free in Christ, no longer need to adhere to OT customs, are saved by faith in Christ, and are bound by the law of love. Someone asked a great question after class that I never got to answer, so I'll address it here. If the New Testament is so adamant that men need not be circumcised, why do so many people still do it today?

I did some vast research on this topic (ok, I googled some stuff) and found out that most of the Christian world does not practice circumcision. It is a much more common practice for Muslims and Jews. Still 80% of American males are circumcised! In the U.S. it is done for hygiene and disease prevention purposes; however, there are conflicting claims on how much it helps. Perhaps the original reason God instituted it was for its health benefits. Another guess at its reason for prevalence in America is that during the post WW2 economic boom, companies were offering great health benefits that covered circumcision. Those depression era parents couldn't say no to a free circumcision! Then most babies were circumcised, made it the norm, and the tradition continued.

There does still seem to be some confusion about its purpose. It still seems to have religious undertones to it. Perhaps some people still feel that it is what religious or Christian people do. This is because, well let's face it, people don't know the Bible that well. A lot of knowledge our culture has about the Bible is secondhand, passed down, and gleaned from different people and media. Most people aren't actually reading the Bible, they are just believing what people tell them about it. Of course, in their defense, most of these people thinking they must circumcise their babies probably had a minister that had more sense than to teach multiple weeks on the circumcision issue in Galatians!

Please join Christian Homes for dinner on **Tuesday evening**, **October 25**<sup>th</sup>, at the Taylor County Expo Center. David Scotten, whose adoption story is chronicled in the movie *Lifemark*, will be the guest speaker, along with a special video message from Kirk Cameron. For speaker and ticket information, call 325-690-4557 or visit www.christianhomes.com/2022-fall-dinner.

# **Children's Ministry News**

- In Matthew 21:12-17, Jesus walks into the Temple and sees people selling doves. This is causing a distraction from God in His special place, and Jesus gets mad. He turns over the tables of those selling and speaks out against what they're doing. He stands up for God. Classes this morning discussed ways that children can stand up for God.

- ➤ Have you signed up to volunteer on a Wednesday night? Check the sheet in the hall for open dates. Our birth to three-year-old sweeties thank you.
- Please continue to pray for the child you chose on the paper apple. We are still adding to the hallway bulletin board, but spend a few minutes looking at the shapes with info completed by children to pray for their teachers and their schools. Please pray for a "hedge of protection" (Job 1:10) so all will feel God's blessings this school year.

Wednesday PM children created a special place for their chosen animal as we discussed Jesus preparing a special place for us. Jesus invites everyone to this amazing world He is planning with us in mind.
