Children's Ministry News

- This morning our passage comes from Joshua 6.
- In this passage, God is ready to lead his people into the Promised Land—starting by taking over the city of Jericho. But it has big walls and seems scary to conquer. Following God's instructions, the Israelites march around the city for seven days. On the seventh day, with God's help, the walls fall down!
- Our Bible Point this week is God gives us courage. Because some kids may feel small in a big world, let us help them find courage in how big and powerful our God is.
- Summary Verse: **"This is my command—be strong and courageous! Do not be afraid or discouraged. For the Lord your God is with you wherever you go"** (Joshua 1:9).

These kids learned their Memory Verse from Proverbs 3:5-6! Way to go! Keep it up!

Westgate Church of Christ

Sermon Title: Why Church is Boring

Scripture: 1 Corinthians 14: 1-5

Follow the way of love and eagerly desire gifts of the Spirit, especially prophecy. For anyone who speaks in a tongue does not speak to people but to God. Indeed, no one understands them; they utter mysteries by the Spirit. But the one who prophesies speaks to people for their strengthening, encouraging and comfort. Anyone who speaks in a tongue edifies themselves, but the one who prophesies edifies the church. I would like every one of you to speak in tongues, but I would rather have you prophesy. The one who prophesies is greater than the one who speaks in tongues, unless someone interprets, so that the church may be edified.
